The Border Mail
a new world every day

Australian Music Events is pleased to announce the return of Australia's leading entertainer **James Morrison** with one of the world's **Ten Tenors - Boyd Owen** and stunning young Australian soprano **Helena Dix**. The 100 voiced chorus and the **Alpha Sinfonia Orchestra** will again be led by ABC personality and conductor **Guy Noble**.

Staged at the picturesque Mayday Hills Oval, Opera in the Alps is a magical evening of classical favourites. The Event is established as one of regional Victoria's cultural highlights. The evening will also showcase the talented **Opera Scholars Australia**.

Fine regional food and wine will be sold through outlets prior to the concert and during interval. For something different, the Premium Package is the perfect way to experience Opera in the Alps and we welcome patrons to indulge in the gourmet three course meal accompanied by fine wines from the region. The dinner takes place on the lawns of Pines Convention Centre that commands a breathtaking view of the concert setting.
